2026

Práctica de Inglés

para la Prueba 2 de Educación Diversificada a Distancia

La presente práctica se encuentra elaborada de acuerdo con las tablas de especificaciones vigentes a partir de la convocatoria 02-2026.

MULTIPLE CHOICE **60 ITEMS**

Items 1 – 5
Instructions:

1. Read the article and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

All This Helps

Maintaining healthy habits is essential for achieving a well-balanced lifestyle. By incorporating some habits into their daily routines, people can improve their physical health, mental focus, and overall happiness. Here are some healthy habits and their benefits:

- **Regular exercise** is a cornerstone of a healthy lifestyle. Engaging in physical activities such as walking, jogging, and cycling helps strengthen the muscles, improve cardiovascular health, and boost energy levels. Exercise also releases endorphins, which are natural mood enhancers, making people feel more energetic and positive.

- **Maintaining a balanced diet** is vital for our overall health. A balanced diet helps people maintain a healthy weight, supports proper digestion, and reduces the risk of chronic diseases. It is important to limit the ingestion of processed foods high in sugar, salt, and unhealthy fats.

- **Adequate sleep** is crucial for our physical and mental well-being. During sleep, the body repairs and restores itself, leading to improved cognitive function, memory retention, and emotional well-being. Creating a calming bedtime routine, such as avoiding screens before bed and creating a comfortable sleep environment, can contribute to better sleep quality.

- **Managing stress** is essential for maintaining a healthy lifestyle. Chronic stress can negatively affect our physical health and mental well-being. Engaging in stress-relief activities such as mindfulness, deep breathing, or hobbies can help reduce stress levels. Additionally, maintaining social connections and seeking support from friends and family can greatly contribute to emotional well-being.

1) What does the article mainly talk about?

A) Ways to have a balanced lifestyle.
B) Ways to prevent common diseases.
C) Activities to promote social interaction.
D) Things to consider when starting an exercise routine.

2) In what way can regular exercise benefit people's well-being?

A) It helps restore cognitive function.
B) It makes people have better digestion.
C) It reduces the risk of chronic diseases.
D) It makes people feel better and more positive.

3) Which of the following is <u>not</u> mentioned to take care of physical and mental health?

A) Following a strict diet plan.
B) Engaging in sporting activities.
C) Practicing stress-management techniques.
D) Keeping social connections and seeking support.

4) What is a recommended strategy for getting quality sleep?

A) Avoid eating before going to sleep.
B) Creating a relaxing bedtime routine.
C) Sleeping as many hours as possible.
D) Looking for support from friends and family.

5) What is a good way to manage stress?

A) To eat properly.
B) To eat foods high in sugar.
C) To find help in case it is needed.
D) To be engaged in as many activities as possible.

Items 6 – 10

Instructions:

1. Read the blog and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

Good Habits Blog

We will explore the perspectives of five people who have successfully adopted a healthy lifestyle. Let's see some valuable insights!

@Sarah25: I start my day with a refreshing morning workout. It helps me feel energized and sets a positive tone for the rest of the day. I also prioritize eating nutritiously. Additionally, I make sure to have time for relaxation and self-care activities in the afternoon such as reading, practicing yoga, or taking long walks in nature.

@Markhealthy: For me, staying active throughout the day is essential. I make it a point to take short breaks during work and engage in stretching exercises. I also find joy in cooking my meals using fresh ingredients, as it allows me to control what I eat. Moreover, I have incorporated meditation into my daily routine, which helps me reduce stress.

@Emily2023: I believe in the power of balance. I enjoy eating my favorite treats occasionally but ensure that most of my meals consist of healthy food. I prioritize getting enough sleep each night and have a regular sleep schedule. I have also found that practicing gratitude has a positive impact on my well-being.

@Davidgreen: For me, having a support system plays a significant role in maintaining a healthy lifestyle. I engage in physical activities with friends and family, such as hiking or playing sports. We motivate each other, making exercise fun and enjoyable. I also find that setting realistic goals and celebrating small achievements keeps me motivated and committed to my healthy habits.

@Maria: I have learned the importance of listening to my body and giving it the care it deserves. This includes regular exercise but taking rest days when needed. I focus on finding activities that I enjoy, whether it is dancing, swimming, or cycling. I also prioritize mental well-being by spending time in nature and surrounding myself with positive influences.

6) What are the people doing in their posts?

A) Describing their daily routines.
B) Talking about their plans to start a healthy lifestyle.
C) Describing their activities to have a balanced lifestyle.
D) Mentioning activities that they avoid doing in their daily lives.

7) How does @Sarah25 start her day to feel active?

A) She takes morning walks.
B) She exercises in the morning.
C) She practices yoga and meditation.
D) She gets engaged in positive meditation activities.

8) What does @Markhealthy emphasize to reduce stress?

A) To have a balanced diet.
B) To cook with fresh ingredients.
C) To take part in meditation exercises.
D) To take short breaks during work time.

9) How does @Davidgreen keep a healthy lifestyle?

A) He takes care of his diet.
B) He does not celebrate achievements.
C) He gets engaged in activities with others.
D) He does not consider doing activities with others.

10) Who considers spending time in nature a good habit?

A) @Maria and @Sarah25
B) @Maria and @Emily2023
C) @Markhealthy and @Sarah25
D) @Davidgreen and @Emily2023

Items 11 – 15

1. Read the article and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

A Story of Success

Oprah Winfrey is synonymous with success, inspiration, and empowerment. Through her determination, resilience, and contributions, she has become one of the most influential figures of today. Here are some of her accomplishments:

Media Icon: Oprah Winfrey's journey to success began with her talk show, *The Oprah Winfrey Show*. With its engaging format and meaningful discussions, the show became a platform for addressing societal issues, showcasing inspiring stories, and fostering a sense of connection.

Philanthropic Endeavors: Oprah Winfrey has used her influence and resources to make a significant impact on various philanthropic causes. Through her Oprah's Angel Network and later the Oprah Winfrey Foundation, she has donated millions of dollars to support education, healthcare, and empowerment initiatives.

Literary Influence: Oprah's Book Club has played an important role in promoting reading and literature. By selecting and endorsing a diverse range of books, Oprah has helped launch numerous authors. Her recommendations have consistently propelled books to the top of bestseller lists.

Film and Television Production: Oprah Winfrey's impact extends beyond her on-screen presence. As the founder of Harpo Productions, she has produced critically acclaimed films and television shows that highlight diverse stories and underrepresented voices.

Empowering Women: Oprah Winfrey has been a vocal advocate for women's empowerment, addressing issues such as gender equality, domestic violence, and self-esteem. Through her initiatives, including the Oprah Winfrey Leadership Academy for Girls, she has provided educational opportunities and mentorship to young women, inspiring them to pursue their dreams and create change in their communities.

"The biggest adventure you can ever take is to live the life of your dreams."
– Oprah Winfrey

11) What does the article mainly describe?

A) Oprah's obstacles in her life
B) Oprah Winfrey's personal life
C) Oprah Winfrey's early career
D) Oprah Winfrey's achievements

12) What is Oprah's main role in film and television?

A) She has mainly worked as a TV producer.
B) She has mainly written scripts for movies and TV shows.
C) She has mainly been recognized as a prize-winning TV actress.
D) She has worked as a film director, making many successful projects.

13) Which of the following statements is true about Oprah's Book Club?

A) It exclusively features works of fiction.
B) It has focused primarily on classic literature.
C) It is known for displaying a diverse range of books and authors.
D) It has encouraged millions of readers to engage in non-fiction literature.

14) Which initiative did Oprah establish to support education and empowerment?

A) Oprah's Angel Network
B) The Oprah Winfrey Foundation for Arts
C) The Oprah Winfrey Foundation for Youth
D) The Oprah Winfrey Leadership Academy for Boys

15) Which initiative is an example of Oprah's dedication to women's empowerment?

A) The Oprah Winfrey Book Club
B) Oprah's Favorite Things Campaign
C) The Oprah Winfrey Network (OWN)
D) The Oprah Winfrey Leadership Academy for Girls

How to Achieve Your Goals:

Five Essential Steps

Becoming successful is a goal that many people strive for in various aspects of their lives. Whether it is in academics, career, or personal growth, achieving success requires dedication, perseverance, and the right strategies. Here are some important suggestions to consider:

1

Set Clear Goals:

Begin by defining your goals. Clearly state what you want to achieve and create a plan to reach those goals. Setting specific goals will provide you with a roadmap for success.

2

Develop a Positive Attitude:

Have a positive mentality to overcome challenges and problems. Believe in your abilities and maintain a can-do attitude. Focus on solutions rather than thinking of the problems and embrace a positive attitude to see failures as opportunities to learn and grow.

3

Take Action and Be Persistent:

Success rarely comes without effort. Take consistent actions towards your goals and be persistent in your efforts. Be willing to work hard, put in the necessary time and effort, and persevere in the face of obstacles. Remember, success is a journey, not a destination.

4

Continuously Learn and Improve:

Commit to lifelong learning and personal growth. Stay updated in your field of interest, seek out new knowledge and skills, and be open to feedback. Embrace new challenges and push yourself out of your comfort zone to expand your capabilities.

5

Build a Strong Support Network:

Surround yourself with positive and supportive people who believe in your dreams and aspirations. Seek mentors, coaches, or like-minded peers who can offer guidance, support, and encouragement.

16) What is the blog about?

A) Tips for setting goals and staying motivated
B) Key Strategies for Achieving Success in Life
C) Building positive habits for long-term success
D) Ways to improve your personal and professional growth

17) What is the importance of setting clear goals?

A) It requires minimal effort.
B) It eliminates all challenges.
C) It guarantees immediate results.
D) It provides a strategy for success.

18) What does success require?

A) Lack of effort
B) Luck and chance
C) Consistent action and persistence
D) Avoidance of challenges and obstacles

19) Why is continuous learning important?

A) It prevents difficulties.
B) It expands people's capabilities.
C) It guarantees immediate success.
D) It eliminates the need for support.

20) Why is building a strong support network beneficial?

A) It discourages personal growth and learning
B) It guarantees success without personal effort
C) It ensures that people do not face any obstacles
D) It provides guidance, support, and encouragement

1. Read the article and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

The Digital Menace

In the age of technology and social media, cyberbullying has emerged as a significant concern, especially for young people, worldwide. Unlike traditional bullying, cyberbullying takes place in the digital realm, making it more pervasive and challenging to escape.

Cyberbullying encompasses **various forms of online harassment**, such as sending threatening or offensive messages, spreading rumors, sharing embarrassing photos or videos without consent, or impersonating someone to cause harm. The anonymity and wide reach of the internet provide bullies with a platform to target victims, often resulting in severe emotional and psychological distress.

The consequences of cyberbullying can be devastating for the victims. They may experience high levels of stress, anxiety, depression, and a decline in self-esteem. The constant exposure to negative and hurtful comments can isolate victims, leading to social withdrawal and even suicidal thoughts. Furthermore, cyberbullying can have a long-lasting impact, leaving deep emotional scars that may affect victims' mental well-being in the long term.

Efforts to combat cyberbullying have gained support in recent years. Schools and organizations are implementing awareness programs to educate students and parents about the dangers of cyberbullying and the importance of online etiquette.

Additionally, **social media platforms and online communities** are implementing stricter policies and reporting mechanisms to swiftly address instances of cyberbullying and protect users.

21) Which of the following statements best describes cyberbullying?

A) It involves various forms of online harassment.
B) It mainly affects older adults rather than young people.
C) It is limited to physical acts of aggression towards individuals.
D) It has minimal impact on victims' emotional and psychological well-being.

22) How does cyberbullying differ from traditional bullying?

A) It is less harmful than traditional bullying.
B) It is physical, while traditional bullying is verbal.
C) It only affects adults, while traditional bullying affects children.
D) It occurs online, while traditional bullying takes place in person.

23) What are the consequences of cyberbullying on victims?

A) Emotional distress and decline in mental well-being
B) Increased popularity and social status
C) Enhanced self-esteem and confidence
D) Physical injuries and health issues

24) What measures are important to combat cyberbullying?

A) Encouraging victims to seek revenge.
B) Ignoring the issue and hoping it will go away.
C) Promoting anonymity on social media platforms.
D) Implementing awareness programs and educating individuals.

25) Which of the following is not a form of cyberbullying mentioned in the article?

A) Spreading rumors
B) Confronting the bully in person
C) Sending threatening or offensive messages online
D) Sharing embarrassing photos or videos without consent

Items 26 – 30
Instructions:

1. Read the blog and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

26) How does the app allow users to connect with a community of travelers and locals?

A) Using Local Insights
B) Using Smart Trip Planning
C) Using Destination Inspiration
D) Using Real-Time Recommendations

27) Which option of the app helps users plan their trips efficiently?

A) Real-time Recommendation
B) Destination Inspiration
C) Smart Trip Planning
D) Local insights

28) How does the app offer personalized recommendations?

A) By connecting to other apps.
B) By analyzing users´ reviews.
C) By working with travel agencies.
D) By following social media influencers.

29) What can users do with Travel Quest's interactive platform?

A) Stream live videos
B) Book flights and hotels
C) Share travel experiences
D) Order food from local restaurants

30) What tool allows users to save their travel memories?

A) Travel Memories
B) Smart Trip Planning
C) Destination Inspiration
D) Real-Time Recommendations

Items 31 – 35
Instructions:

1. Read the newspaper article and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

Unprecedented Climate Incident Wakes Call for Urgent Action

In a stunning turn of events, a significant climate incident has occurred. The incident serves as a reminder that urgent action is required to mitigate the consequences of our changing climate.

The climate incident unfolded in a coastal town known for its pictures, beaches, and marine ecosystem. The town, reliant on fishing and tourism, suffered a severe blow due to the event.

A powerful storm, fueled by warmer ocean temperatures, made landfall, resulting in destructive winds, and torrential rain. The combination of these elements caused extensive damage to coastal infrastructure, homes, and natural habitats. It led to the displacement of residents and the loss of several lives.

The impacts of this climate incident are devastating. Local businesses, including fishing enterprises and tourist establishments, were severely affected, leading to a decline in economic activity. The disruption to the marine ecosystem threatens the livelihoods of fishermen and the long-term sustainability of the region.

Scientists and experts have highlighted the link between this climate incident and the increasing frequency and intensity of extreme weather events driven by climate change. Rising global temperatures have contributed to the warming of oceans, providing the energy necessary for powerful storms to form and intensify.

The climate incident serves as a wake-up call for governments, communities, and individuals to prioritize climate action. It emphasizes the need for mitigation efforts, such as transitioning to renewable energy sources and reducing greenhouse gas emissions.

Additionally, adaptive measures, including improved infrastructure and disaster preparedness, are vital to protect vulnerable communities from future climate-related incidents.

31) Where did the climate incident occur?

A) Inland city.
B) Desert area.
C) Coastal town.
D) Mountainous region.

32) What fueled the intensity of the storm in the incident?

A) High tides
B) Strong winds
C) Heavy rainfall
D) Warmer ocean temperature

33) How were local businesses affected by the incident?

A) Rise in tourist arrivals.
B) Decline in fishing catches.
C) Increase in economic activity.
D) Expansion in job opportunities.

34) What is the connection between this incident and climate change?

A) Geological factors.
B) Impact of deforestation.
C) There isn't any connection.
D) Increase in greenhouse gas emissions.

35) What actions are needed in response to the climate incident?

A) Reducing plastic waste.
B) Expanding road infrastructure.
C) Investing in renewable energy.
D) Promoting sustainable tourism.

Items 36 – 40
Instructions:

1. Read the information and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

36) What is the main goal of EcoWarriors?

A) Collaborating with communities worldwide.
B) To maximize the impact of governmental bodies.
C) To empower people to make eco-friendly choices.
D) To create a sustainable future for generations to come.

37) How do EcoWarriors work on environmental challenges around the world?

A) By collaborating with other NGOs
B) By working closely with local businesses
C) By engaging in various projects and initiatives
D) Through workshops and educational programs

38) Which of the following is <u>not</u> a reason to choose EcoWarriors?

A) Volunteer opportunities
B) Education and awareness programs
C) Focusing only on conserving wildlife
D) Global impact and international operations

39) What does EcoWarriors do to help the environment?

A) They focus exclusively on local initiatives.
B) They promote competition among NGOs for resources.
C) They only rely on awareness campaigns to create change.
D) They work with governmental bodies, businesses, and other NGOs.

40) How can people join EcoWarriors and help protect nature?

A) By starting their own NGO.
B) By collaborating with other businesses.
C) By participating in workshops and campaigns.
D) By becoming a member of the governmental body.

Items 41 – 45
Instructions:

1. Read the blog and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

Exploring Dreams and Aspirations

Alex - The Tech Innovator:

Greetings, readers! My name is Alex, and I'm a high school senior with a passion for technology. After graduation, I dream of venturing into the world of innovation and becoming an entrepreneur. I want to develop groundbreaking apps and software that simplify people's lives.

Maya - The Global Humanitarian:

Hello, everyone! I'm Maya, a senior in high school who believes in the power of compassion. My dream after high school is to work as a humanitarian aid worker. I want to travel to different parts of the world, aiding and supporting those affected by crises and poverty.

Liam - The Environmental Guardian:

Hey there, readers! I'm Liam, a high school senior who's deeply passionate about environmental conservation. After I graduate, I want to become an environmental scientist. My dream is to work on preserving ecosystems, combating climate change, and promoting sustainable practices.

Sophia - The Artistic Visionary:

Greetings, lovely readers! I'm Sophia, a senior in high school with a love for arts. After high school, I dream of becoming a professional dancer. I want to express my emotions and tell stories through the beauty of movement.

Ethan - The Social Advocate:

Hey, readers! I'm Ethan, a high school senior driven by a desire for social justice. After graduation, my dream is to pursue a career in law and become a human rights lawyer. I want to fight against inequality and advocate for those whose voices are often silenced.

41) What are the students writing about?

A) Plans after high school.
B) Their high school memories.
C) Things to avoid after finishing high school.
D) Common problems among high school students.

42) What is Alex's dream career after high school?

A) Tech entrepreneur
B) Professional dancer
C) Medical professional
D) Environmental scientist

43) What field does Maya want to work in after high school?

A) Law
B) Technology
C) Humanitarian aid
D) Environmental conservation

44) What is Sophia's dream after high school?

A) Tech entrepreneur
B) Professional dancer
C) Environmental scientist
D) Humanitarian aid worker

45) What career path does Ethan want to pursue after high school?

A) Tech entrepreneur
B) Human rights lawyer
C) Medical professional
D) Environmental scientist

Items 46 – 50
Instructions:

1. Read the article and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

Making Decisions About College and Career

A Key to Your Life

Making decisions about college or career paths is important in our lives. It is a time when we must carefully consider our passions, aspirations, and goals to choose a path that aligns with our values and sets us up for a fulfilling future. This decision-making process can be complex, but by exploring our interests, researching opportunities, and seeking guidance, we can make informed choices that shape our academic and professional journeys.

One key aspect to consider is our personal interests and passions. What subjects or activities genuinely excite us? Exploring fields that align with our passions can lead to greater job satisfaction and motivation in our chosen careers. Whether it is the arts, sciences, business, or any other field, identifying our passions can provide a strong foundation for success and personal fulfillment.

Additionally, researching opportunities and growth potential is crucial. Understanding the job market trends, projected industry growth, and demand for professionals can help us make informed decisions about our college or career paths. By analyzing these factors, we can choose fields that offer long-term stability and advancement potential, ensuring a rewarding and sustainable professional journey.

46) What is the article about?

A) Ways to succeed in college.
B) Popular careers for students
C) Reasons why people do not choose the right career.
D) Aspects to take into consideration when choosing a college or career.

47) What factors should people consider when making college or career decisions?

A) Random selection
B) Family expectations
C) Personal interests and passions
D) Popular trends and social pressure

48) How can exploring personal interests and passions contribute to a fulfilling career?

A) By providing job security
B) By increasing job satisfaction
C) By making sure a high salary
D) By guaranteeing a stress-free work environment

49) Why is it important to research opportunities and growth potential?

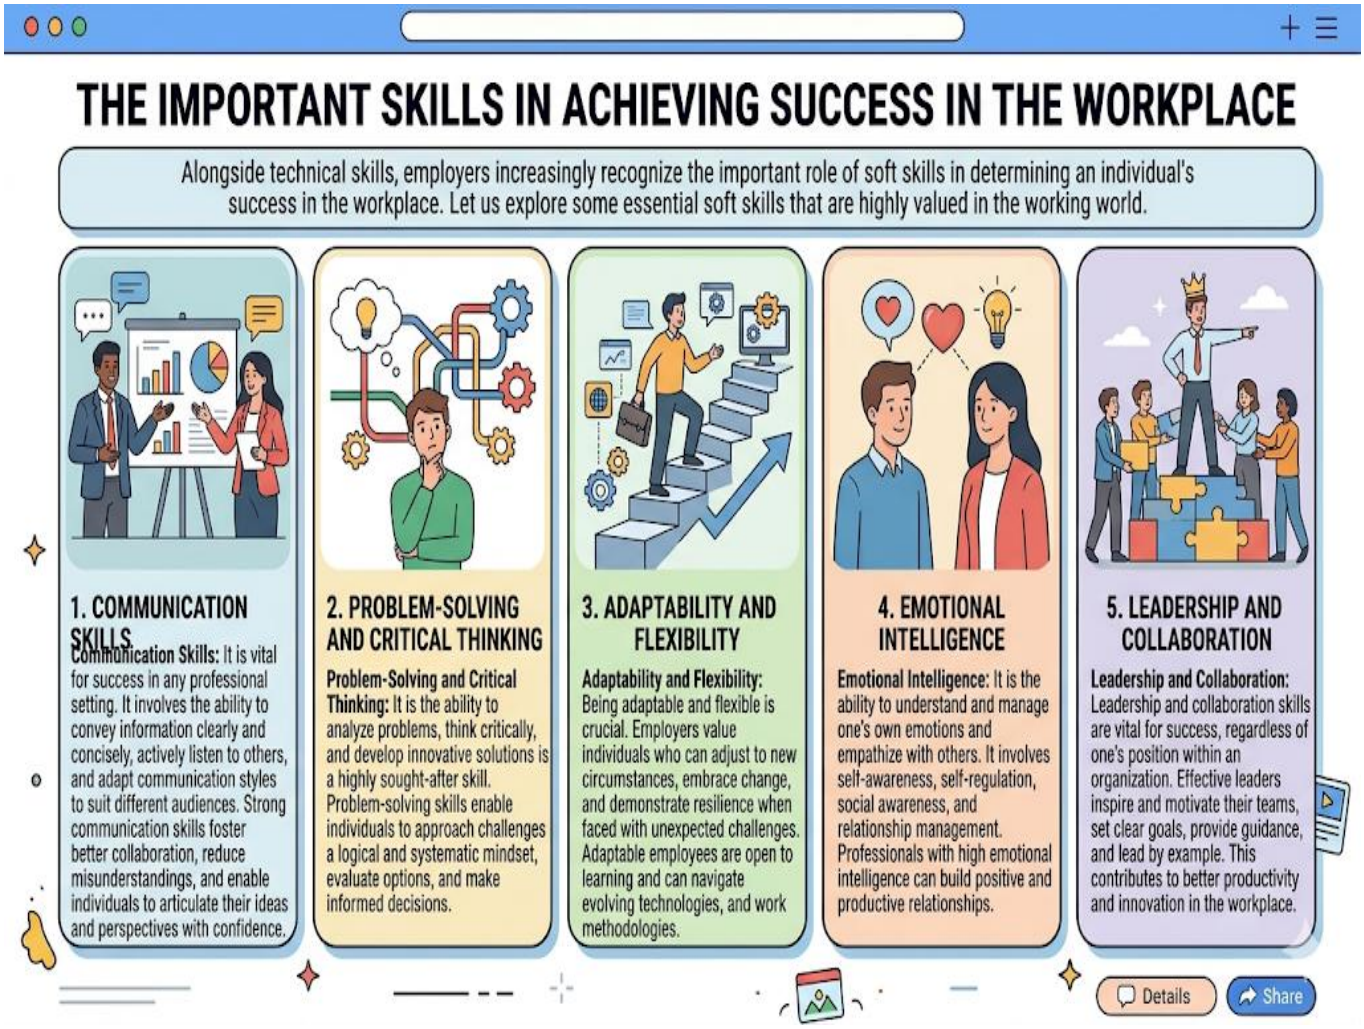

A) Making popular choices
B) To ensure a quick and easy job search
C) Choosing a field that offers the highest salary
D) To identify fields that align with personal interest

50) What is the purpose of making informed decisions about college or career paths?

A) It is to impress others.
B) It is to secure a high-paying job.
C) It is to prove oneself to family and friends.
D) It is to find personal fulfillment and success.

Items 51 – 55
Instructions:

1. Read the educational text and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

51) What is the educational text about?

A) The importance of soft skills
B) Characteristics of a good worker
C) The significance of technical skills
D) The importance of a good workplace

52) Which soft skill involves the ability to find solutions?

A) Adaptability
B) Leadership skills
C) Emotional intelligence
D) Problem-solving and critical thinking

53) What does emotional intelligence mainly focus on?

A) Collaboration and teamwork
B) Problem-solving and adaptability
C) Self-awareness and self-regulation
D) Technical expertise and critical thinking

54) Why is adaptability important in the workplace?

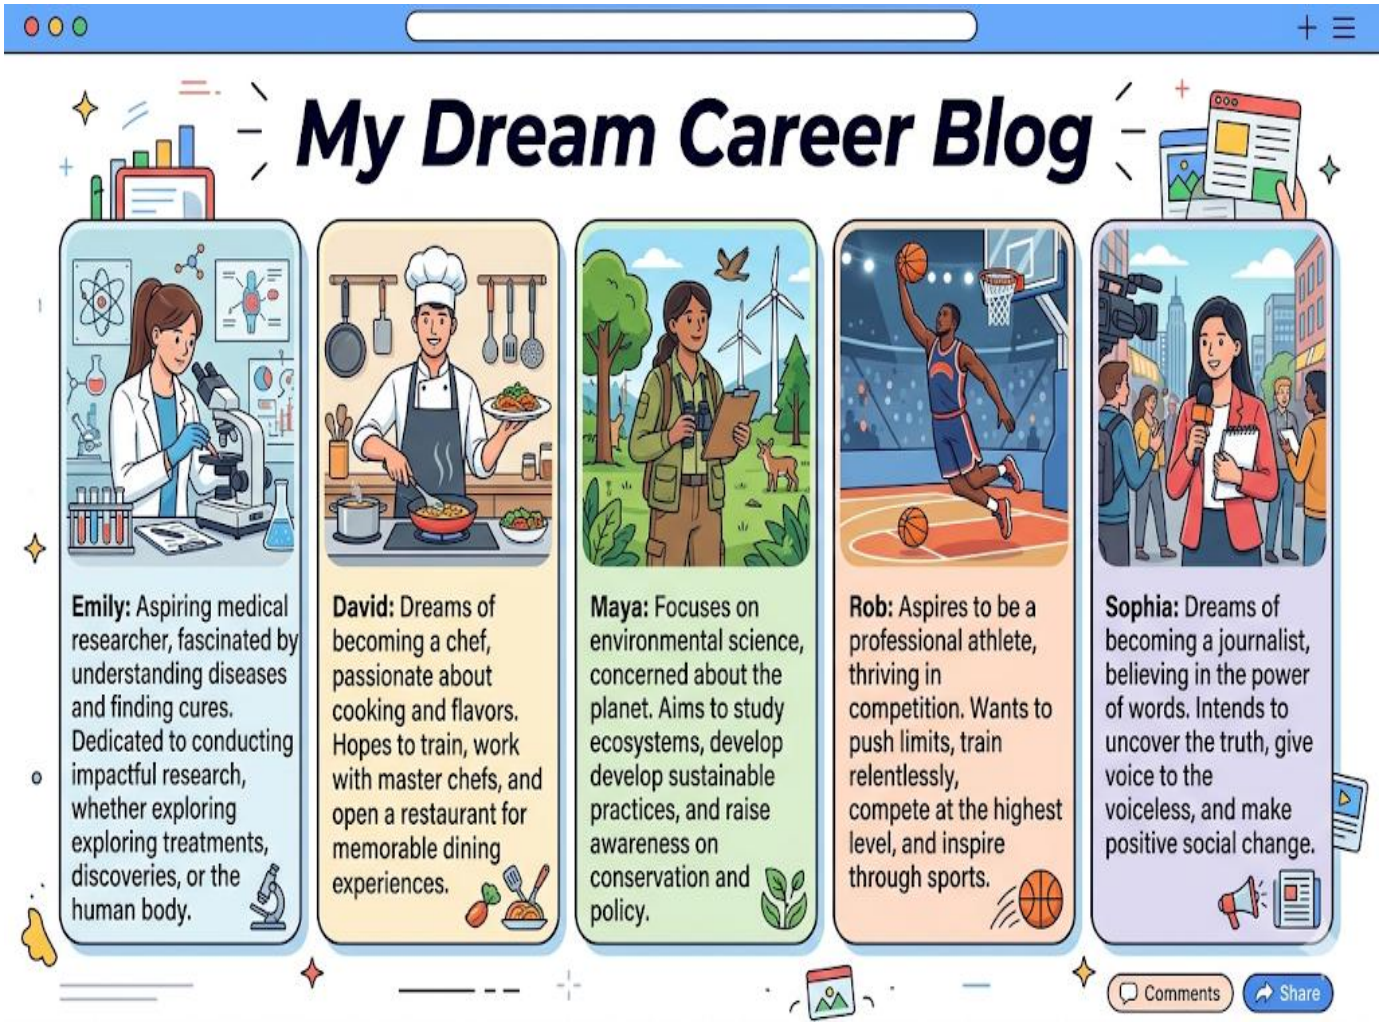

A) It enhances technical expertise.
B) It promotes emotional intelligence.
C) It fosters effective communication.
D) It enables individuals to face changes.

55) What is the importance of leadership and collaboration skills in the workplace?

A) They enhance adaptability and flexibility.
B) They promote self-awareness and self-regulation.
C) They contribute to higher productivity and innovation.
D) They emphasize technical expertise and critical thinking.

Items 56 – 60
Instructions:

1. Read the blog and choose the best answer based on it.
2. Mark the correct letter A, B, C, or D on your answer sheet.

56) What are the people on the blog writing about?

A) Current jobs
B) Current studies
C) Dream professions
D) Colleges and universities

57) What is Emily's dream career?

A) Journalist
B) Medical researcher
C) Professional athlete
D) Environmental scientist

58) What is David's passion and dream career?

A) Chef
B) Medical researcher
C) Professional athlete
D) Environmental scientist

59) What field does Maya want to work in?

A) Athletics
B) Culinary arts
C) Medical research
D) Environmental science

60) Which student dreams of becoming a professional athlete?

A) Rob
B) Maya
C) Emily
D) David
