My Sport Day in Jacó

May 18, 2026 By Alex Sports, Beach, Fun

Last Saturday, my friends and I went to Jacó beach in Costa Rica for a sport day. We like doing exercise there because the water is warm.

First, my brother went surfing. He used his board and could ride big waves. Then my friend Sofia went kayaking. She had a paddle and a life jacket. I wanted to try snorkeling, so I used a mask and swam near small fish.

Later, we played a game on the sand. We had a ball, and we had to catch, throw, and pass it fast. My little sister liked jumping and hopping near the water.

MY SKYDIVE OVER IGUAZU FALLS

By Sara Davis

When I was 16, I wrote a bucket list. This was a list of things that I wanted to do in my lifetime. One of the things on my bucket list was to do a skydive.

Two years ago, I spent three months travelling around South America. It was a great experience. We went climbing, hiking, and swimming in different parts. One of the most amazing things we saw was Iguazu Falls. One day, we were relaxing in a hostel in Brazil, having breakfast. My friend suddenly noticed an advertisement on the wall saying, **"skydive over the Falls today!"** We looked at each other and decided it was time to do something crazy.

That afternoon, we were picked up and taken to the Skydive Centre. We put on our harnesses and helmets, and they gave us some instructions; no special outfit was necessary. After signing a few papers, we were on our way to the plane! Suddenly, we were 3,000 metres above the ground. Luckily, I was strapped to an instructor, so I didn't have to worry about anything; I just had to enjoy myself. He asked me if I was ready to fall from the plane, but before I had time to answer, I felt the wind rushing against my face.

This was one of the scariest but most **exhilarating** experiences of my life. The sensation of falling from so high was amazing and the **adrenaline rush** was crazy. I wouldn't do it again, but I would love to try other extreme sports such as bungee jumping.

Subject: Shopping Day in Heredia

May 18, 2026 9:15 AM

Hi Carlos,

Last Saturday, my family and I went to Heredia to get some things we needed. First, we went to a big store because it has more goods than the small one near our house. My mom bought flowers and plants. My dad had to buy tools for home work.

Then, my sister needed a haircut, so we went to a hair shop next to the bank. It was cheaper than the one in San José. After that, we walked to the clinic because my brother had to get a checkup.

There was also a pet shop. We bought some food for our dog. Before going home, we stopped at a small café because it had the best cakes.

You should visit this place. There are many shops and good services there.

See you,
Luis

Subject: Birthday party

May 19, 2026 9:15 AM

Dear Allan.

I'm sorry you couldn't come to my surprise birthday party last week. Oh God! It was a wonderful night. I never thought my friends would throw a party for me. I talked to my mom and dad about it, and they were happy and excited. My friends told me that we were going to a bar and going dancing, but that was a lie. They had planned the party in Fabio's house. It was a real surprise.

We sang karaoke; we ate and drank a lot, and I really had a good time with my friends. I was thankful. I thought you were going to be there, but my friends told me you were away. My friends invited my boyfriend, but he couldn't be at the party either; he had to work. At the end, there were not many people, we were like 8 friends. We had a lot of fun together. We are planning to continue with these activities, I mean, having surprise parties for all our friends. I don't really know whose birthday is next. Is it yours, Allan? Let us know because we must start planning the activity. Write to you soon.

Kind regards,
Laura
